

## **Wells Kernel Days will be held on August 17 & 18, 2018**

Once again we are looking for Food Vendors from Local Groups, Organizations and Individuals. This is a wonderful opportunity to raise funds for an upcoming project, charity, or even for profit. Opportunities are available for Friday evening, and all day and evening on Saturday.

It is preferred that we have one of a kind vendors to make sales the best they can be for each vendor. Booth fees are as follows:

- Non-electrical \$30.00
- Electrical \$50.00

**Registration and License applications are due by July 6th, 2018.**

Forms are available online at <http://www.wellsareachamber.com/kernel-days.html>

Checks may be made payable to: Wells Kernels Days
